

Friends like We

Larry & Leslie Latour

Neither here
Never there
We can be most anywhere.
Without our friends to help us out,
We'd blunder asunder & babble about.
We'd take wrong turns
We'd lose our way.
We'd wander off like an old sad stray.
So lucky are you & lucky are me
That both of us have friends like we!

(chorus)

La La La La
La La La La
La La La La
La La La

Me and you
You and me
Friends like us forever be
We make us smile
We dry our tears
Holding each other throughout all our years
Could be we laugh
Could be we cry
No time to stop and to wonder why
So lucky are you & lucky are me
That both of us have friends like we!
So lucky are you & lucky are me
That both of us have friends like we!

(chorus 2x)
