

I'll Go Back There (key: E)

Larry and Leslie Latour

When I was a young girl
With never a care
I never had travelled
Anywhere
A fine man found me
And took me in
And showed me the greens of Ireland

(Chorus)

I'll go back there
I'll go back there
I'll go back to Dingle town
I'll go back there
I'll go back there
I'll go back to Dingle town

Somewhere far full of music and
green
Beaches longest I've ever seen
Though life is sweet here
On deserts of sand
I still feel a calling
to Ireland

Hills of sheep side
Oceans of blue
Folks as friendly
as I ever knew
Herlihy's, McKee's,
And the sweetest Merrigan
They're waiting for me
Back in Ireland

(Chorus)

I'll go back there
I'll go back there
I'll go back to Dingle town
I'll go back there
I'll go back there
I'll go back to Dingle town

Our life here's so full
It couldn't hold anymore
Why are we called
to that far away shore...

(Chorus)

I'll go back there
I'll go back there
I'll go back to Dingle town
I'll go back there
I'll go back there
I'll go back to Dingle town
