

Now and Then - Greg Perantoni

I don't want you to think
I miss the love we had
I don't walk the floor
Most of the time I don't feel so bad

I don't want you to think
I'll go back there again
But I will admit that I miss you
Every now and then

(Chorus)

Every now and then
I find myself remembering your smile
Every now and then
I find myself reminiscing for awhile
Every now and then
I remember the love we had way back when
But I will admit that I miss you
Every now and then

I don't want you to think
That I sit here nursing a broken heart
Most of the time I feel pretty good
Most of the time the teardrops don't even start

I don't want you to think
We can get back together again
But I will admit the I miss you
Every now and then

(Chorus)
