

Recycled Lives

(M) I'll deal with the structure,
(T) We've been around for a long long time
(W) I'll deal with the strife.
(M) Crossin' paths,
(T) Because together we'll have...recycled lives.
(W) having laughs.
(M) Skippin' stones,
(T) They say you can't teach an old dog new tricks...
(W) eating scones.
(T) That everything re-used must first take it's licks.

(T) We've done a lot of good good things,
(T) Ready to try a new set of wings.
(M) Raised a family,
(T) Well life's like that,
(W) raised some hell
(T) there's no doubt
(M) 20 year job,
(T) and that's what our new
(W) time spent well
(T) life's about.....
(M) Now I'll be your husband
(W) I'll be your wife
(T) And together we'll have recycled lives.
(M) I was like an old tin can
(T) We're going in a new direction
(M) kicked down the road, (space)
(T) We're living out our affection
(W) passed hand to hand. (space)
(M) I'll try to make our life complete,
(W) and honey you know I'll keep it neat.
(W) I was like an old rubber band
(W) used every minute,
(W) stretched to the limit.
(W) Now I'll grow the oats
(W) and I'll milk the goats
(T) Now you'll be my husband
(M) and you'll be my wife
(T) and together we'll have recycled lives.
