

Restaurants

By Larry Latour, ©2000

All the people sittin' and
talkin'
Never alone in Restaurants
Try it alone
And you'll definitely notice
things

About all the people
Sittin' and talkin'
Never alone in Restaurants
You wouldn't notice
If you were never alone in
Restaurants
Yourself

(Chorus)

**Oh, Alone in a mall is ok
Alone in a car is ok
(wasteful, but ok)
Alone in a plan is cheaper
and faster, Ok, still ok
But alone in a restaurant
is strange**

**Strange, strange, strange,
strange, strange, strange,
strange, so strange**

**Strange, strange, strange,
strange, strange, strange,
strange, so strange
Oh so strange**

Some people are sad for you
alone
Some people want you to eat
with them sometimes
Strange people you wouldn't
be caught dead with
Alone in a Restaurant is
strange

**(Chorus) Alone in a
mall is ok...**

Oh, What do you do
When you're eatin' alone in a
Restaurant
You can talk to the
waitress/waiter polite
Or to yourself
Strange

I say, what do you do
When you're eatin' alone in a
Restaurant
You can write a song about
eatin' alone in a Restaurant

**(Chorus) Alone in a
mall is ok...**
